To Whom It May Concern:

To help every child reach their full potential requires the support of parents, guardians and the larger community.

Family members, friends and community in partnership together truly make a difference!
Pleasant Hill Lamorinda Youth Football and Cheer is a non-profit organization.

PHLYFC is in its 50th year of providing quality youth football and cheerleading to boys and girls from the ages of 7 through 14. We will have over 200 kids playing this year.

PHLYFC is an all volunteer organization. PHLYFC also offers scholarships and donates equipment for children whose families may not be able to afford the league fees. Your donations help buy new safe equipment, repair fields, provide scholarships, and provide quality training/clinics not only for the players but also the coaches.

PHLYFC depends on the generosity and the support of local businesses such as yours. We are seeking support from family members and friends, and community businesses such as yours to help raise funds. We hope you will consider participating and consider PHLYFC when evaluating your company's community involvement. Our tax I.D. # is **27-2455824**

Donations: *For CASH donations, please make checks payable to PHLYFC.*

Prizes such as gift baskets, raffle items and gift certificates are always welcome.

In-kind donations such as food, drinks, party supplies, etc., are very much appreciated as well.

We thank you in advance for your consideration and extend our best wishes for your economic success. You have invested in an important and effective community resource.

Please feel free to contact us with any questions.

Sincerely,
PHLYFC Rebels
