

All,

We are getting close to the end of our season and we have one team that is undefeated and in the playoffs. Our Midget team who as of today is in a tie for 1st place with San Leandro both being undefeated going into the last week of the season. This puts them in a great position entering into the playoffs. They need our help more than ever as a family to cheer them on. So I would like to see that Rebels Family support no matter the weather.

With the end of every season we have our annual awards banquet. Again this year we will be holding the banquet at the Concord Hilton this location allows all of our athletes to be able to invite as many family members as they choose. In the past because of the venue the athletes have only been allowed to have one parent buy tickets to attend and no other family members. This year we are encouraging everyone to invite as many people as they can we would like to let all family members be proud of their athlete's not just one parent.

This year the venue will allow more parents and relatives to show their continued support at the Awards Banquet and participate in the fun.

We had in attendance last year over 400 Rebels Family Members I would like to see us this year beat that number. We have built a foundation at every level this year for great things to happen over the next few years.

Our format this year will be a little different as we move to an earlier venue.

Every player will be receiving a trophy and we will be acknowledging the people that have made the year go as smoothly as it has.

We really would like to see all players at the banquet they have worked hard this year and we would like to see them at the banquet to be acknowledged and receive their trophy.

We will be having a Silent Auction and Raffle throughout the night.

Each team has contributed beautiful themed gift baskets for the Auction.

You will be able to enjoy a great luncheon with friends, teammates, and family.

It will be a great time as we celebrate the end of our season while acknowledging each participant, with trophies, for their hard work and growth during this season.

There will be a host bar that will have Soda, Beer and Wine
